Bracco Farms is pleased to announce our 2013 Season CSA*

The basic idea of **Community Supported Agriculture*** is that a farmer grows for a group of members who have purchased "shares" in the harvest. Members pay at the beginning of the season in March, when the farmer most needs the money. When the crops start coming in June, the farmer delivers a weekly assortment of vegetables, herbs and some fruit. This is not a co-op, there are no wholesalers or distributors. 100% of your food dollars go to the person who is growing it. You support sustainable local agriculture and get freshly picked organic produce at reasonable prices. In addition, you know the farmer growing your vegetables and can visit the farm -establishing a personal connection with your food supply.

Our **CSA** will run from:

June 4, 2013 until December 3, 2013**

with a **bi-weekly** pick up at our home in Cedar Grove on Tuesdays between 4:00 pm and 8:00 pm

The cost of a Full Share will be **\$645.00** for **14** weeks.

The cost of a Half Share will be **\$330.00** for **14** weeks.

A share is enough vegetables for 4 people. (1/2 Bushel+Basket)

Half shares are enough for 2 people. (1 Peck+ Basket)

In the early season there will typically be selections of peas, kale, arugula, spinach, lettuce, escarole, turnips cilantro, basil, dill, parsley, etc. As the season progresses tomatoes, peppers, eggplant, squash, corn, onions, carrots, beans, beets, etc will be added.

Tentative varieties planned for the upcoming season include: Arugula, Asian Greens, Baby Green, Basil, Beans, Beets, Broccoli, Broccoli Raab, Brussell Sprouts, Cabbage, Carrots, Celery, Chard, Corn, Cucumbers, Eggplant, Garlic, Herbs, Kale, Leeks, Lettuce, Melons, Micro Greens, Onions, Parsnips, Peas, Peppers, Pumpkins, Radishes, Salad Mix, Scallions, Spinach, Summer Squash, Spinach, Strawberries, Tomatoes (Heirloom and Hybrids), Tomatillos, Turnips, Winter Squash.

Due to weather conditions some substitution may be required - when the weather is bad for one crop it is good for another.

- I understand that as a **Bracco Farms CSA** member I share in the risks and rewards of farming. Thus, there is no guarantee as to the amount of produce that I will receive. **The variety, quantity and duration may vary according to the weather and the time of year.
- I understand that there are no refunds for shares in the event of a natural disaster.
