## Bracco Farms is pleased to announce our 2022 Season non-GMO CSA\*

The basic idea of **Community Supported Agriculture\*** is that a farmer grows for a group of members who have purchased "shares" in the harvest. Members pay at the beginning of the season in March, when the farmer most needs the money. When the crops start coming in June, the farmer delivers a weekly assortment of vegetables, herbs and some fruit. This is not a co-op, there are no wholesalers or distributors. 100% of your food dollars go to the person who is growing it. You support sustainable local agriculture and get freshly picked naturally grown produce at reasonable prices. In addition, you know the farmer growing your vegetables and can visit the farm - establishing a personal connection with your food supply.

Our **CSA** will run from:

**Wed., June 8, 2022 until Wed., September 21, 2022\*\***

with a weekly pick-up at

**The Martins Residence**

74 Main Street,

Lincoln Park, New Jersey 07035.

**Every Wednesday Between the hours of 4pm and 7pm**

The cost of a Full Share will be **\$849.00** for **16** pick-ups.

The cost of a Half Share will be **\$495.00** for **16** pick-ups.

**A share is enough vegetables for 4 people. (1 Bushel Box+)**
